VOLUME 33

Forward

Upon selecting a general course or theme for the "MOO", we, the staff of '50, tried to take into consideration the fact that an annual is a first-class scrapbook. One objective of a scrapbook is to bring back memories. We sincerely hope that our "scrapbook" has fulfilled that objective.

Dedication

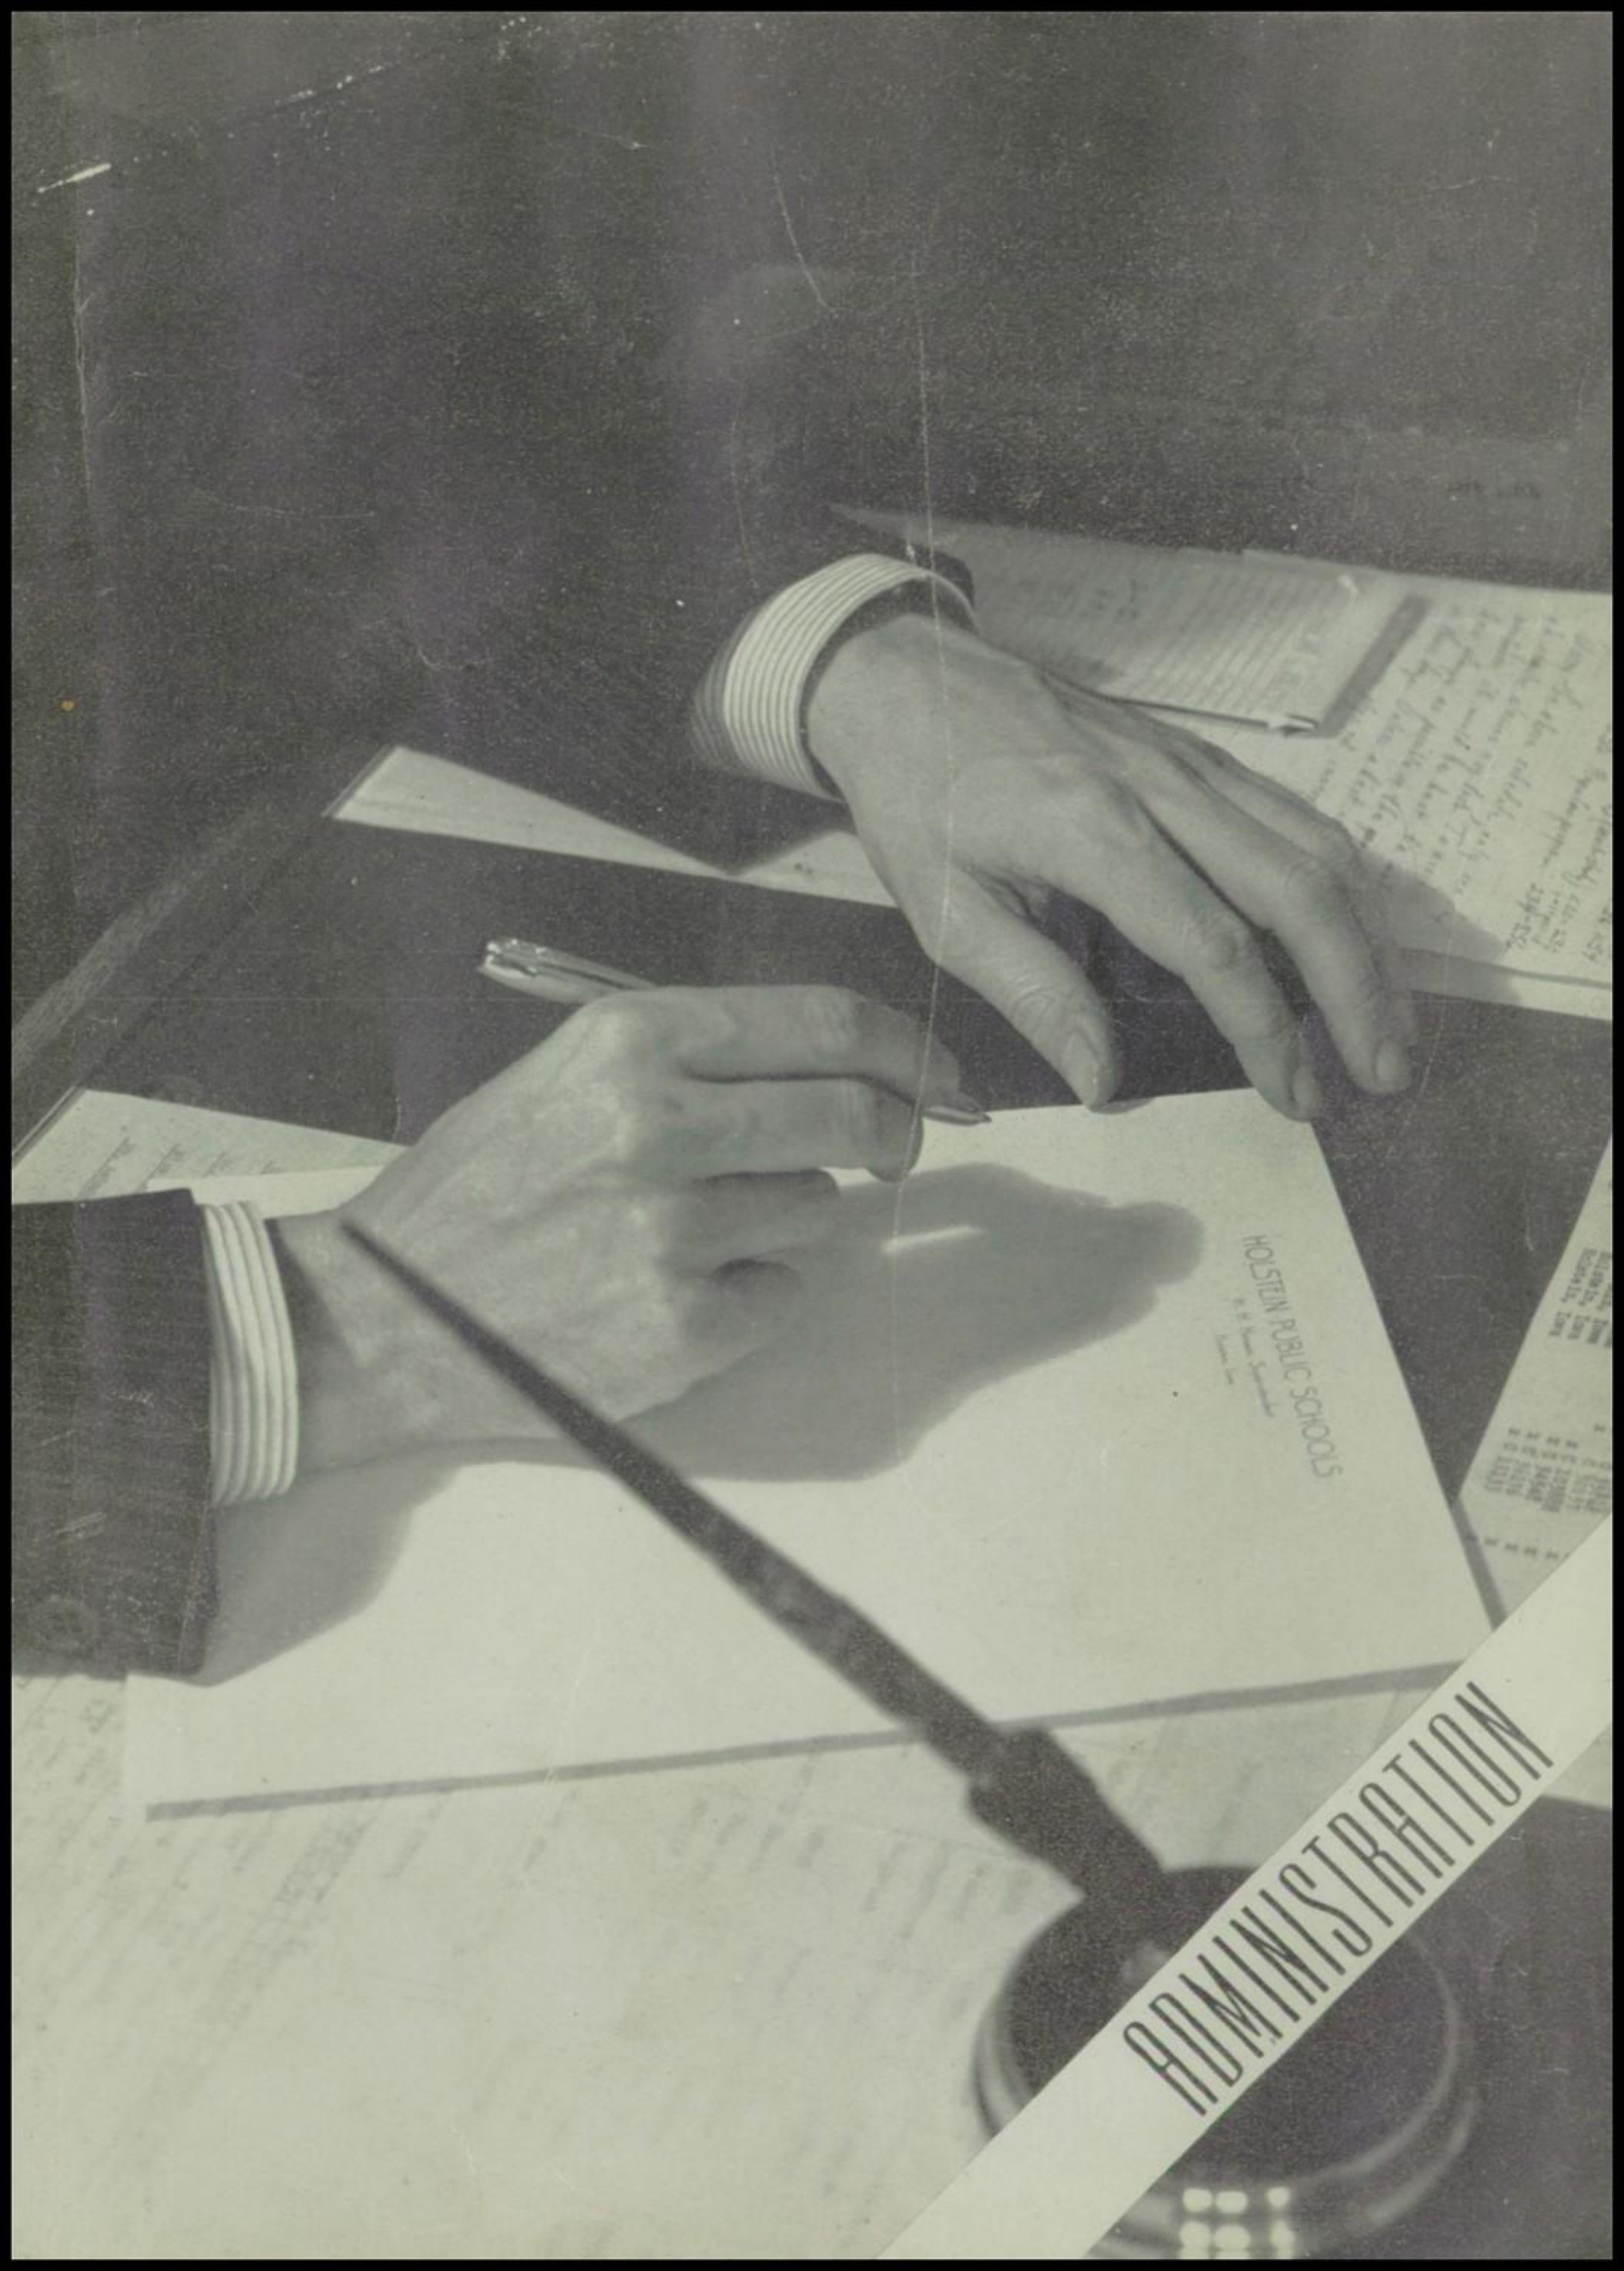

To Superintendent Harland H. Hanson, whose keen interest in all school activities has lead to the realization of a new auditorium-gymnasium for our school, we, the Class of '50, dedicate this yearbook. He has helped to make our school an efficient institution whose objective is better education for the graduates of tomorrow. We know he will continue the good work.

The Board of Education

Pictured above are the people responsible for the "character" of Holstein Public School. When any problems confront them, and there are many, they alone make the decisions. Past decisions have taken a course by which the school and the community of Holstein have benefited the most. The responsibility placed on these people is great, for they mold the future of the students of this school. The people of Holstein can be proud that they have this capable group who are willing to give so generously of their time so that we may have a school whose "character" is good.

CLASS POEM

We love to sing of H. H. S.
Our noble Alma Mater
In all the West
She is the best,
And none will e'er be greater.
The binding ties of H. H. S.
No pow'r can ever sever
For we'll be true to H. H. S.
And the Orange and Black forever.

Tune every heart to sing for joy,
And banish every sorrow.
The boys and girls who leave today
Will build her up tomorrow.
We're all in love with our H. S. home,
The pride of our endeavor;
And we'll be true to H. H. S.
And the Orange and Black forever.

When we have left its dear old halls
Upon our graduation,
Another class shall sing our song
Of loyal adoration.
The memory of our high school life
Shall never fade—no never.
And we'll all be true to H. H. S.
And the Orange and Black forever.

Class History

Dear Diary:

SEPTEMBER 1937 This week we went to school for the first time. Already we have learned to sit still, hang up and put away things, and to obey. Miss Keene has told us that we will also learn to print and read this year OCTOBER 1938 Entered the new building and like it fine. With the aid of Miss Gray we are brushing up on our printing and on our reading. She has also given us new readers. We have desks this year NOVEMBER 1939 And across the hall to the second grade where we are under the careful guidance of Miss Glorfeld. Subtraction is new to us, but we are learning DECEMBER 1940 Back to the old building again and with the help of Miss Manteufel we are learning how to write. This will be a great accomplishment JANUARY 1941 School is getting harder. We have six-weeks tests now and also home assignments. Mrs. Steig Porter is our leader FEBRUARY 1942 Miss Carstens met us in the fall and introduced us to long division and Iowa History. Here we received our first experience of different classes taught by different teachers. Lyle Munz and Louise Scherner joined our class MARCH 1943 Back in the new building to stay. It's been an interesting year. Judee Bagenstos entered our ranks and also received instructions with us from Miss Kitchen, our leader SEPTEMBER 1944 and SEPTEMBER 1945 Junior High at last. Here Miss Johnson and Miss Perry guided us through seventh grade and Miss Herzberg and Miss Zell through eighth grade. These were happy days for here we had our first taste of athletics, plays, operettas, and study halls—A preview of high school. LaVaughn Lill, Harold Arp, Orville Miller, Darlean Bremer, and Shirley Wiese joined us this year JANUARY 1947 This year was to be a great year. We were recipients of the traditional initiation along with Frank Sokolowski, Howard Dittmer, Eugene Gehrts, Robert Hintz, Wendell Kastner, John Rochau, Phyllis Bergmann, Duane Ruhser and Dean Earnest, who came from rural schools to further their knowledge in HHS. We had much to learn in the next four years, and here we found out you learn as much as you want and mostly on your own SEPTEMBER 1948 Back again to school. This year we felt somewhat superior as we looked at the green freshmen, but we remembered that we were freshmen once too MAY 1949 Juniors at last. To add to our income we worked hard selling magazines. While at our games, we peddled food of all kinds to earn enough to put on a swell prom with the theme LUXURY LINER, where we danced till the wee hours of the morn to the dreamy music of Bob Calame. So far this was the evening of evenings in our lives. We worked hard to put on our play, "Shoot the Works" early in the fall. After the first semester we picked our class rings and received them early in May SEPTEMBER 1949 This month we have registered for school for the last time. And we have with us a new member, Florence Bumann, making us a class of 27. Of those who registered in 1937, only 8 remained with the class through these 13 years. They are William Bienlien, Joan Carnes, Maxine Hansohn, Donna Jensen, Jeanne Kolb, Delaine Lemke, James Sindt, and Betty Bremer. All of us are looking forward to the production of the MOO, skip day, and graduation.

Up to and through this our lives have been well-planned and prepared for us. Soon we shall each be keeping our own diary, each one with his own adventures, joys and sorrows, successes and disappointments. We shall always remember our school days, our teachers, our friends, and our activities. We are going out into a world where some will lead and some will follow, but all will advance.

Class Will

We, The Class of '50 of the Holstein High School, of the City of Holstein, County of Ida, and State of Iowa, in twenty-seven separate parts, each being of sound mind and overflowing with knowledge, a nervous system run down from endless hair-breadth escapes, and wit sharpened through dire necessity, being about to pass out of this world of education, do hereby make, publish and declare this, our last will and testament, hereby revoking all former wills, bequests, and devises of whatever nature made by us.

First: We do hereby direct, wish and command that our funeral shall be conducted by our friends and faculty, who have been our cheerful guardians through all these years.

Second: We do hereby dispose of such estate as we have been able to accumulate through superhuman efforts, as follows:

(1) To the dear faculty

Item: We do hereby will and bequeath the sweet bliss of the assembly hours which we have heretofore enjoyed.

Item: We do hereby will and bequeath all the startling information supplied from time to time in our tests.

(2) To the Class of '51

Item: We do hereby will and bequeath our senior dignity—may they uphold it.

Item: We do hereby will and bequeath our class's abilities and talent.

(3) To the Sophomore Class

Item: We do hereby will and bequeath the right of taking all privileges for granted.

Item: We do hereby will and bequeath our hope for your success in future responsibilities.

(4) To the Freshman Class

Item: We do hereby will and bequeath all our dear memories of our four years in high school.

Item: We do hereby will and bequeath all our knowledge we have heretofore attained.

(5) To the Holstein High School as a whole

Item: We do hereby will and bequeath the defiant spirit of the Class of '50.

(6) To whoever desires

Item: We do hereby will and bequeath our slightly used books.

Item: We do hereby will and bequeath an, old erasers, stubs of pencils and any other property we have left behind.

Item: We do hereby will and bequeath our front seats in the assembly, where you can get a lot of studying done.

(7) We hope the above small bequests will be lovingly treasured.

AND BESIDES THESE GIFTS we do hereby leave our pledge of friendship henceforth and forever.

We do hereby constitute and appoint The Faculty sole executor of this, our last will and testament.

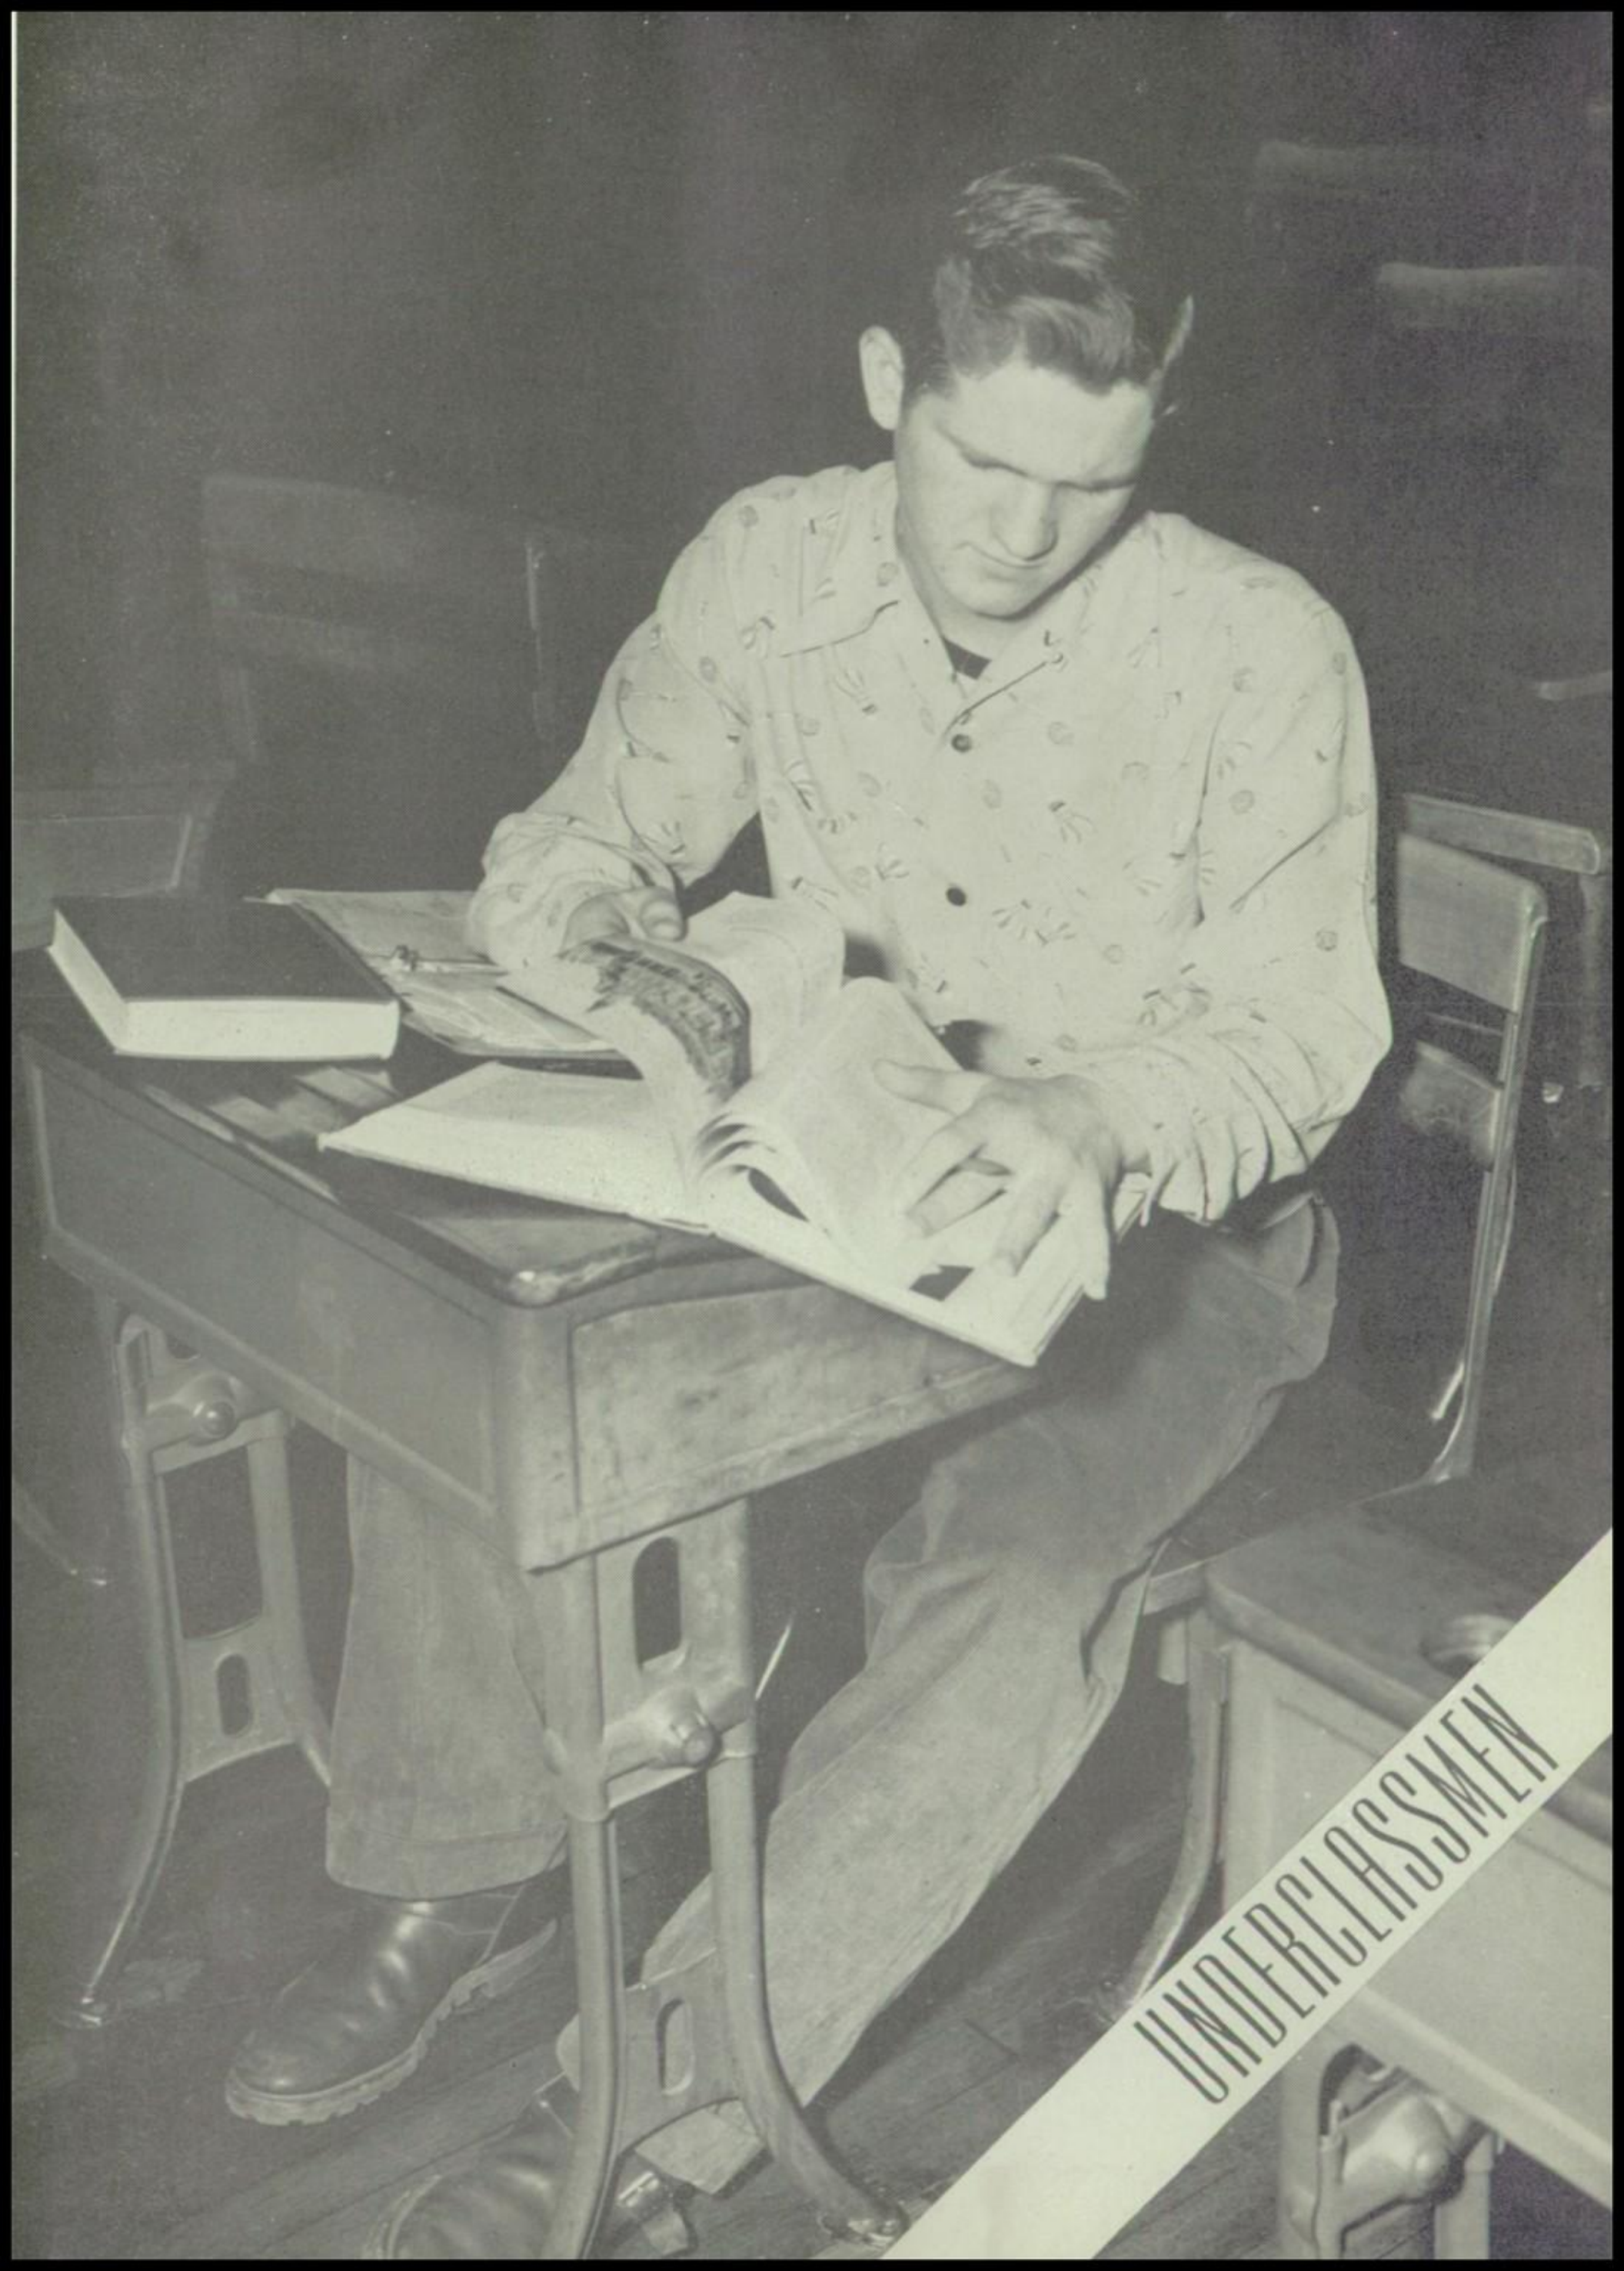

IN WITNESS WHEREOF, we have hereunto set our hands and seals in this year of one thousand nine hundred and fifty.

THE CLASS OF '50

Signed, sealed, published and declared by the said Class of '50 known to us and to us known to be the ones who executed the foregoing instrument, who, at their request, in their presence and in the presence of each other, have hereunto set our hands as attesting witnesses to said instrument.

Juniors

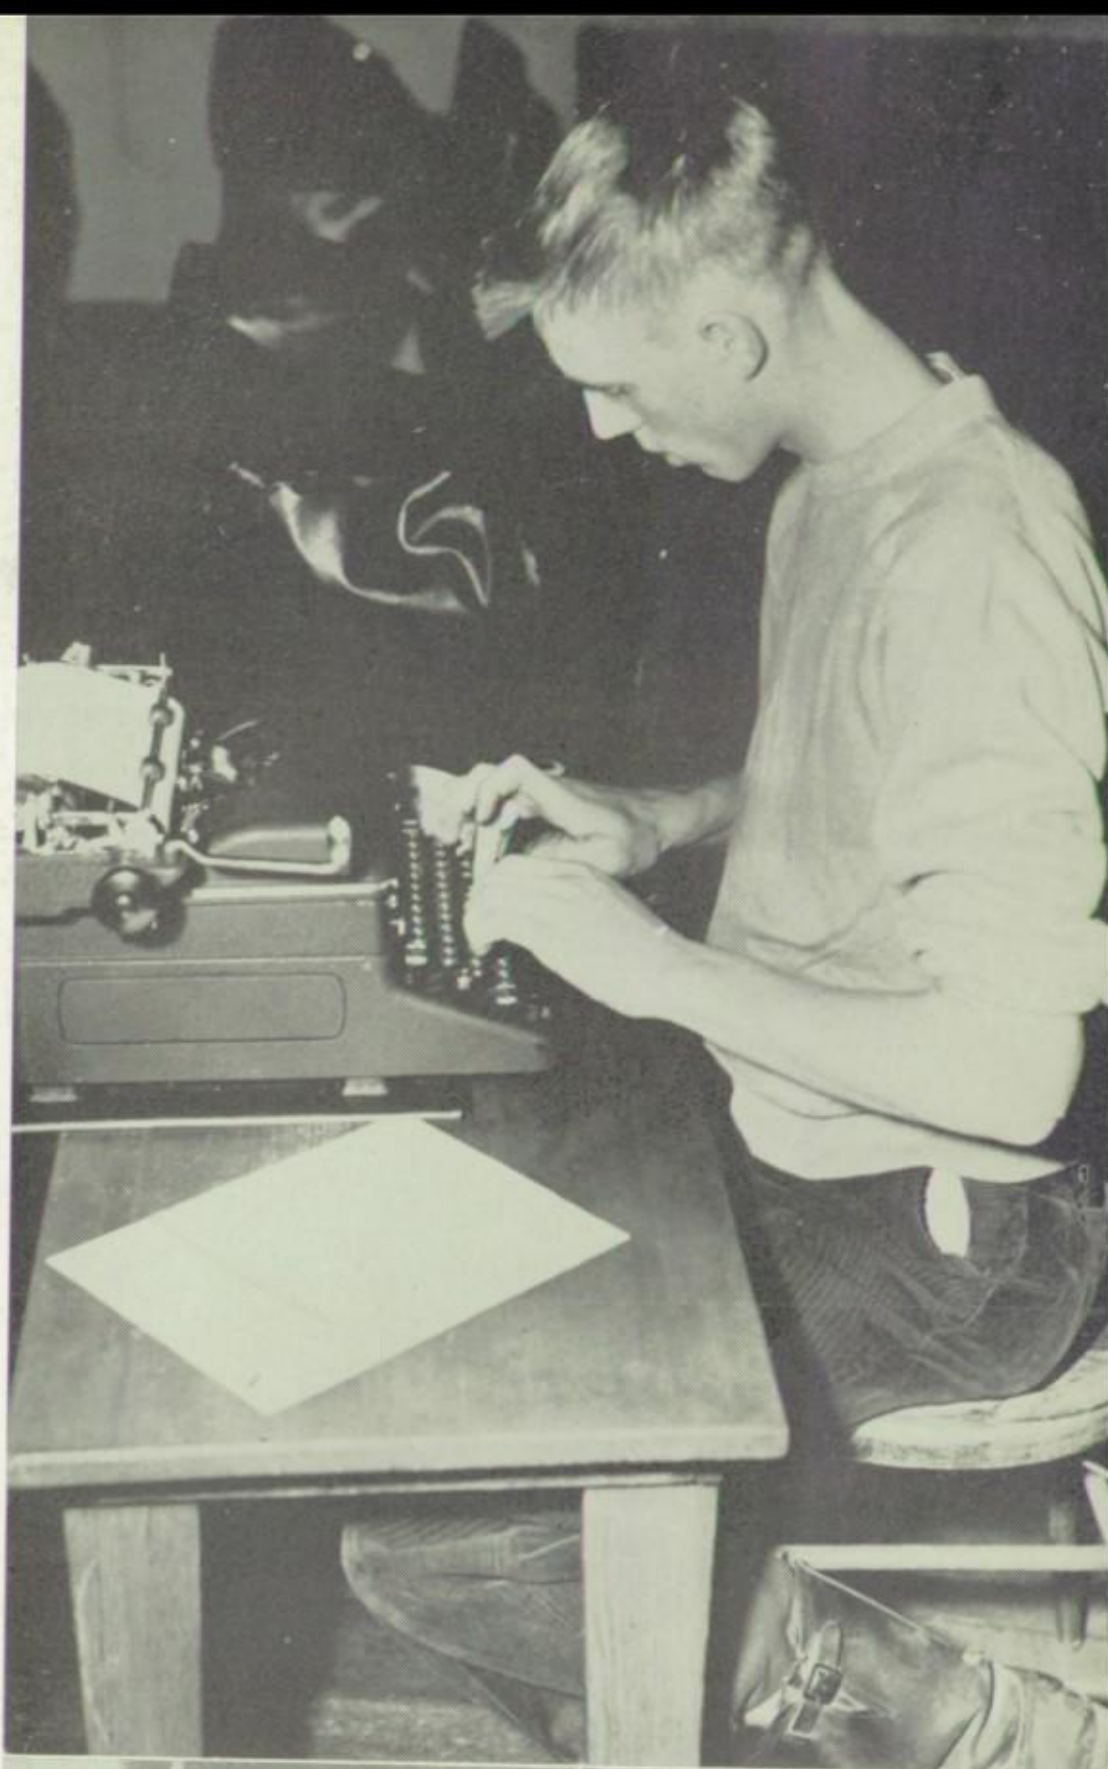

The junior class, with Miss Frances Menard as class sponsor, has contributed very much to Holstein High this year. They placed five boys on the football team and three on the regular basketball team. They have also been an integral part of a fine girls' basketball team, with three first string regulars to their credit.

As has been the case in the fall, the juniors were privileged to sell magazines in an effort to secure money to finance the Junior-Senior Prom. They realized a net profit of some \$740, which is the largest amount ever earned by any class in Holstein High School. Along with this magazine project, the juniors also handled the concessions at our football and basketball games.

On November 16, the juniors presented a very successful three-act comedy called, "Saved By the Belle", under the direction of Miss Harriett Baker. The play meant lots of hard work, but lots of fun and pleasant memories, too.

The last big event of the year was the annual Junior-Senior Prom, where the juniors gave their guests, the seniors, faculty, and the school board, an evening of pleasure and enjoyment, the last of its kind to be staged in the old school gym.

Sophomores

The Sophomores organized in the fall under the leadership of Mrs. Jatho, choosing for their class officers—Shirley Daugaard, President; William Agnew, Vice-President; Harold McDermott, Secretary-Treasurer.

Their curriculum this year gave them a wider selection of subjects and an opportunity to search out new paths of learning. The first week of school found them participating in the following classes: English, world history, biology, advanced algebra, business training, and speech.

Almost the entire class of 28 took part in the athletic program of the school, while the success of the band, glee clubs, pep club, and The Hilarity may be traced in part to the loyalty of the sophomore members.

All in all, our school is proud of its 10th graders and will be happy to welcome them as next year's juniors.

Freshmen

'You can always tell a freshman by his looks.' This was especially true on Hobo Day. Although this year's freshmen were not smeared with cosmetics, they were still very distinguished by the costumes they wore. Departing from tradition, the seniors decided to let the freshmen do the work for once, and the freshies gave the whole high school a big "feed" in the city park. The food was solicited from the people of Holstein and what a "feed" it was.

Later the freshmen were guests of the seniors at the annual dance, held especially to help them feel formally initiated into high school routine.

The freshmen have participated actively in athletic events and were runnerups in the Ida County Junior High Boys' Basketball Tournament.

It's the good-natured freshmen that helps keep the school spirit alive.

JUNIOR HIGH

The achievements of the junior high were very noticeable this year, not only because of their very good athletic season, but also a very fine academic year. The junior high football team won two of six games. The boys' basketball team won twelve of their nineteen games and were runner up to Odebolt in the Maple Valley Basketball Tournament. Noon-hour basketball games also were enjoyed throughout the winter and one of the highlights of this program was a win over the freshman team. The junior high girl's team played ten games, winning five.

Holstein grabbed top honors at the Ida County Spelling Contest by placing Martin Lohff, Shirley Michaelsen, and Jerry Jean Cole in first, second, and third places respectively.

A number of junior high students participated in band. Truly, they are quite capable of entering into their senior education at Holstein High.

HOLSTEIN vs. GALVA

Holstein had no trouble subduing Galva, 41-6. It was not a real test for Holstein, although there was some speculation before the game as to whether the Pirates would win or not. It was the beginning of the spirit and teamwork which was to dominate most of the games thereafter.

HOLSTEIN vs. ALTA

An outstanding Holstein line ran the Cyclones ragged and the Pirates lead throughout the game until the last few minutes when they were tied at 12 all. An outstanding feature was Holstein's line which repeatedly opened large holes in the Cyclones line to let the pint-sized Pirate backs through for formidable yardage.

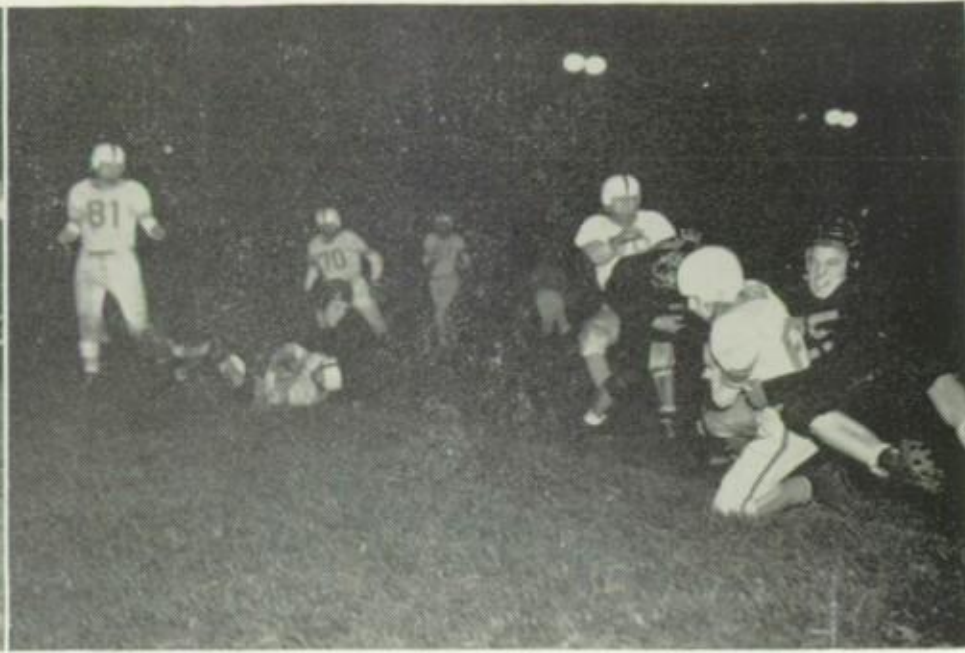

WENDELL KASTNER—senior tackle—5' 9"—180 lbs. . . . switched from center to tackle early part of season . . . filled position well . . . Jack North's All-State Honor Roll . . . Tye's All-Northwest Iowa First Team . . . 2nd H.

LYLE MUNZ—senior guard—6'—175 lbs. . . . excellent blocker and rough defensive man . . . liked to break up plays in opponent's backfield . . . Jack North's All-State Honor Roll . . . 3rd H.

MARVIN WIESE—senior fullback—5' 8"—160 lbs. . . . speedy back on end runs . . . good downfield blocker . . . reliable defensive player . . . 3rd H.

DUANE RUHSER—senior center—6' 4"—231 lbs. . . . big aggressive player . . . frequently overran other centers and caused many of opponent's fumbles . . . 2nd H.

HOLSTEIN vs. MOVILLE

An underdog Holstein team defeated favored Moville, 19-12. It was a hard-fought contest and an interception by Ruhlow saved the game from a possible tie. The opponents threatened our goal line with just a few minutes left, but they failed to score.

HOLSTEIN vs. IDA GROVE

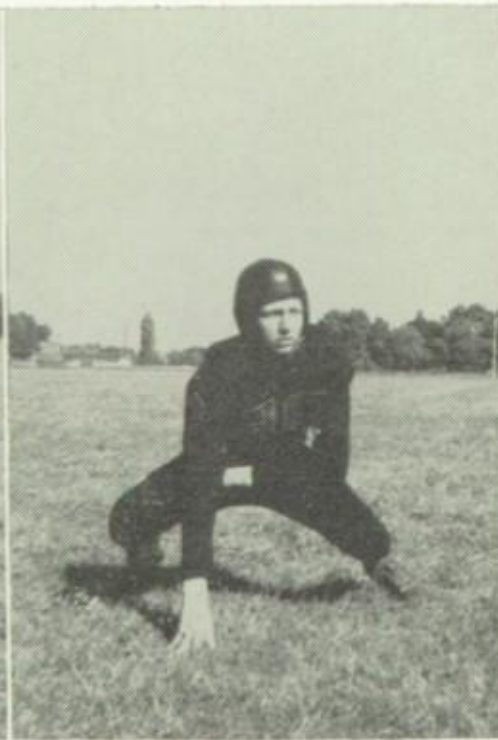

Ida Grove's all-senior aggregation had trouble subduing a spirited Pirate team, 25-7. The Pirates lead the Hawks, 7-6 in the third quarter. In the last quarter, Ida Grove dominated the play by scoring three touchdowns on end runs.

DEAN EARNEST—senior halfback—5' 7"—145 lbs. . . . tough line plunger with plenty of drive . . . switched from right to left half when Schneckloth injured ankle . . . defensive halfback . . . 2nd H.

JAMES SINDT—senior tackle—5' 10"—145 lbs. reliable blocker and defensive man . . . hindered throughout season by several injuries . . . 1st H.

EUGENE GEHRTS—senior guard—5' 11"—165 lbs. . . . strong defensive player . . . opened large holes in opponent's line . . . intelligent player on offense . . . 2nd H.

JACK ROCHAU—senior tackle—5' 11"—190 lbs. . . . plenty of power and drive . . . broke through opposition frequently . . . hard hitting, dependable blocker . . . 2nd H.

HOLSTEIN vs. ONAWA

With an opportunity to beat a team ranked eighth in Northwest Iowa, Holstein did just that, edging Onawa, 18-14. A "green" Pirate team showed a veteran Onawa team what spirit and determination can do for a ballclub. It was a perfect Homecoming night and the last game on the Holstein gridiron in 1949.

HOLSTEIN vs. CORRECTIONVILLE

After a two-week period without a game, the Pirates let off their steam on C'ville and came home with a 59-6 victory. The second string showed great promise for the future by displaying their scoring punch in the second half.

DON SCHNECKLOTH — junior halfback—5' 4"—140 lbs. . . . speedy and slippery . . . good down-field blocker and defensive man . . . valuable member for '50 eleven . . . 2nd H.

WILLIAM RICKARD—junior quarterback—6' 1"—150 lbs. . . . deceptive ball handler . . . reliable passer and defensive half . . . good veteran for next year's squad . . . 2nd H.

FRANCIS RUHLOW—junior utility back—5' 9"—165 lbs. . . . adept ball carrier and good punt returner . . . played defensive halfback . . . lots of good playing left for him . . . 1st H.

WILLIAM FAHAN—junior guard—5' 9"—160 lbs. . . . all around team player rugged blocker and defensive man . . . played tackle on defense . . . valuable veteran for '50 eleven . . . 2nd H.

HOLSTEIN vs. KINGSLEY

An overconfident Holstein team escaped with her pride almost lost when she defeated a "hot" Kingsley eleven by one point, 34-33. Earnest did a good job of replacing Schneckloth, who was injured in the first quarter, even though he had never played that position before.

HOLSTEIN vs. ODEBOLT

Holstein showed very little of the spirit that had been such a common element in her previous games. A large crowd was on hand to see the Pirates take a 40-0 beating. The only exciting event of the game was a long run by our fullback, Marv Wiese.

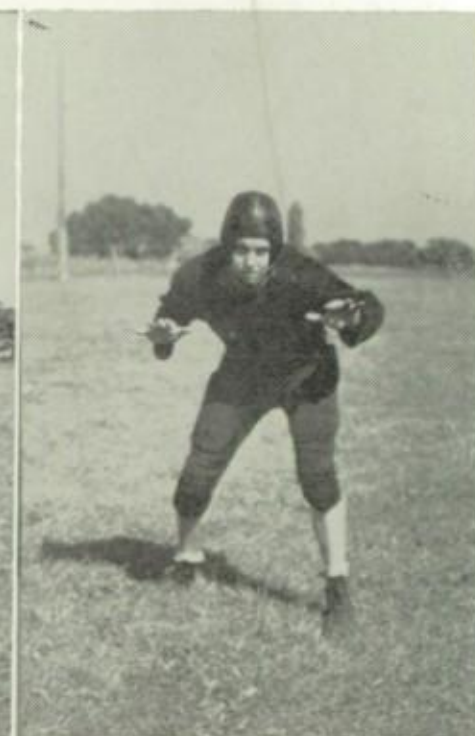

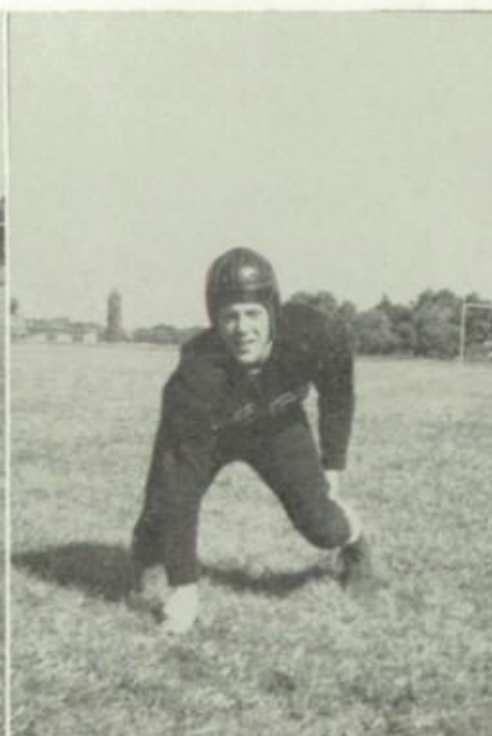

Despite the two losses the Pirates suffered, Coach Kraai can be proud of the team he developed out of four veterans and a group of "greenhorns." We wish him the best of luck next year.

ALVIN KAY—junior right and left guard—5' 9"—145 lbs. . . . handled both positions equally well . . . rugged blocker and dependable defensive player . . . 2nd H.

DELAINE SCHROEDER—junior end—6' 1"—145 lbs. . . . precision blocker and determined tackler hard hitter on offense . . . also played backfield on defense . . . 1st H.

CALVIN LEONARD—sophomore left tackle—5' 10"—155 lbs. . . . opened many holes in opponent's line . . . rugged blocker and defensive player . . . experienced lineman for next two years . . . 1st H.

JAMES LENZ—freshman end—6' —170 lbs. . . . sliced through opponent's line repeatedly and broke up offense before it developed . . . 1st H.

Track

The Pirate thinclads did not fare so well in the fore part of the season, not only because of loss of men through graduation, but also because of a late start in the spring.

In the Sioux City Relays, Rickard and Bienlien tied for second in the high jump with four other contestants and this high-jump tie was our only point-getter.

Finish of the class B 100-yard dash at Holstein Relays.

Danbury wins the open mile at Holstein Relays.

The Pirate cindermen collected a total of 3 and one fifth points in the Holstein Relays through the efforts of the two mile relay team (Endrulat-Ehler-Agnew-Schubert), which placed fifth, and Rickard, who tied with four other jumpers for third, fourth, and fifth place in the high jump.

At the Pocahontas meet, which was held April 21, Holstein garnered $3\frac{1}{2}$ points. Rickard tied for fourth in the high-jump with several other entries, while Ehler placed fourth in the broad jump.

The Tomahawk Relays, held on April 22, at Cherokee, was a class "A" meet and the "B" relays did not count in the scoring. Holstein placed fourth in the 880-yard relay (Wiese-Bienlien-Rickard-Fahan), second in the mile relay (Fahan-Arp-Ehler-Bienlien), and fifth in the football throw. Ruhser and Kastner have been throwing the shot, but as yet haven't placed.

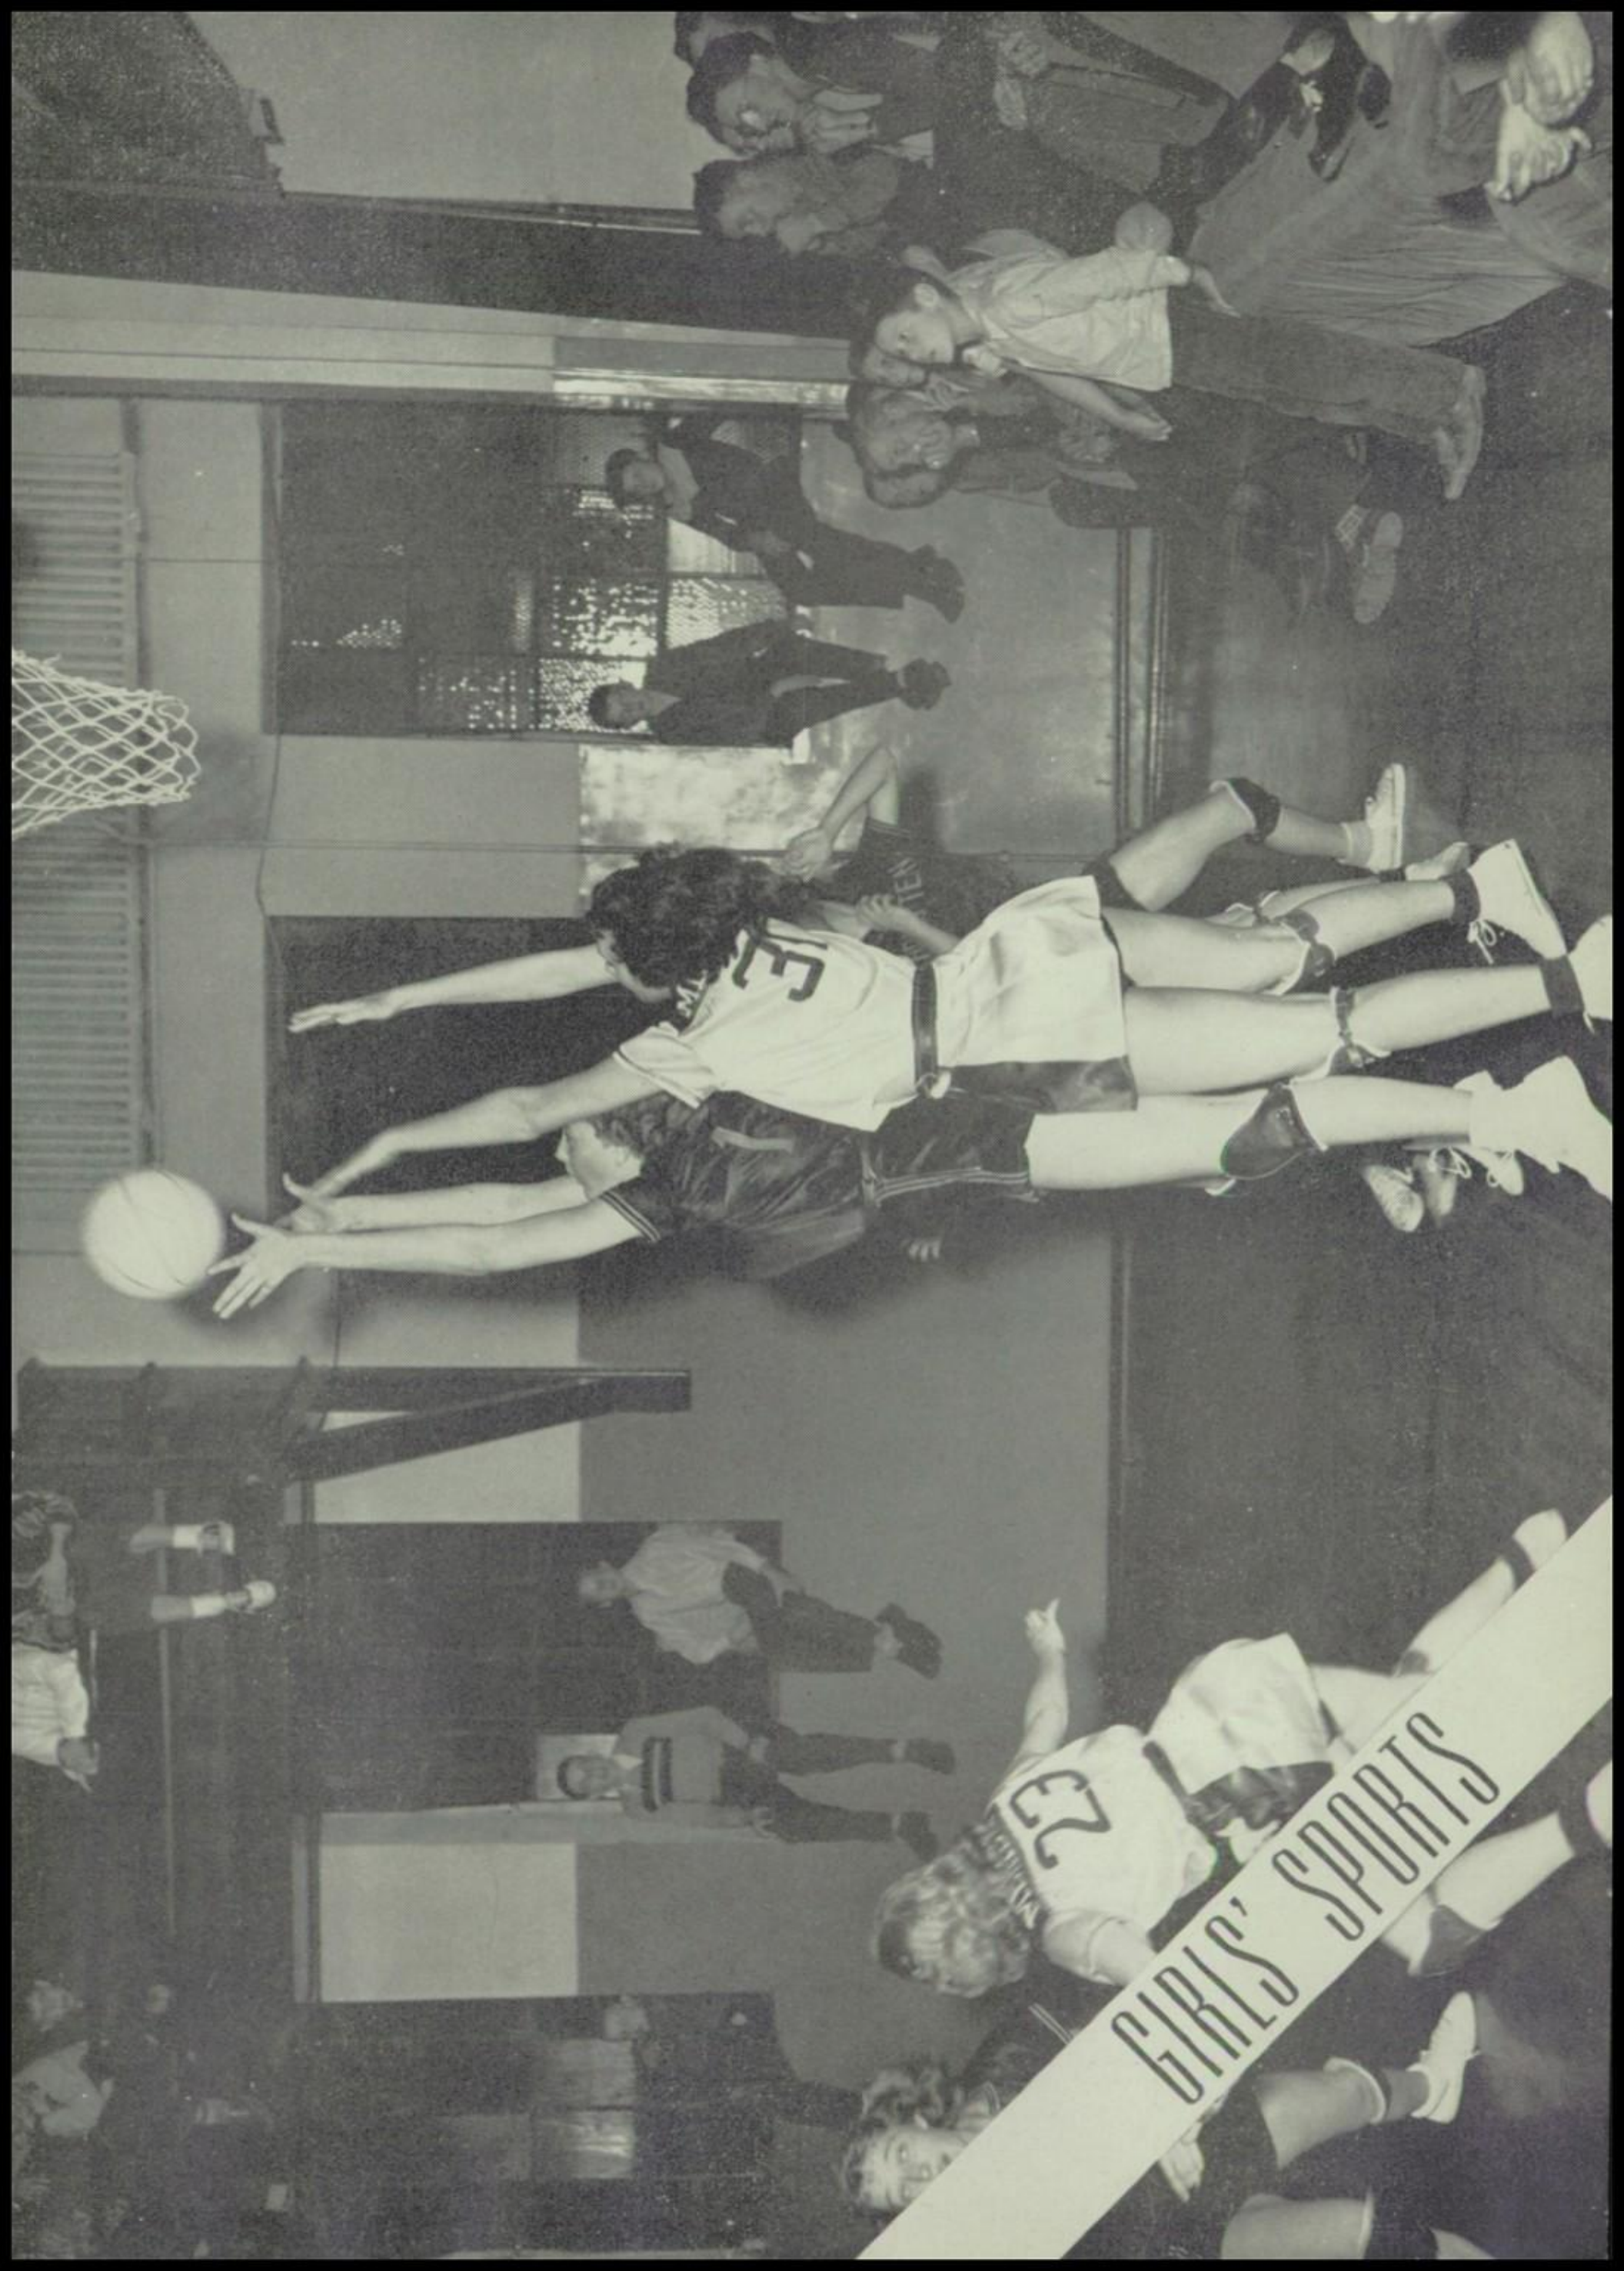

The Ida County Meet, an annual affair on the Holstein track, was postponed from April 25 to May 10 because of bad weather.

The boys are expected to improve as the season progresses and should give a good account of themselves in the local meets and the "B" meets coming up.

SUMMARY OF 1950 GIRLS' BASKETBALL

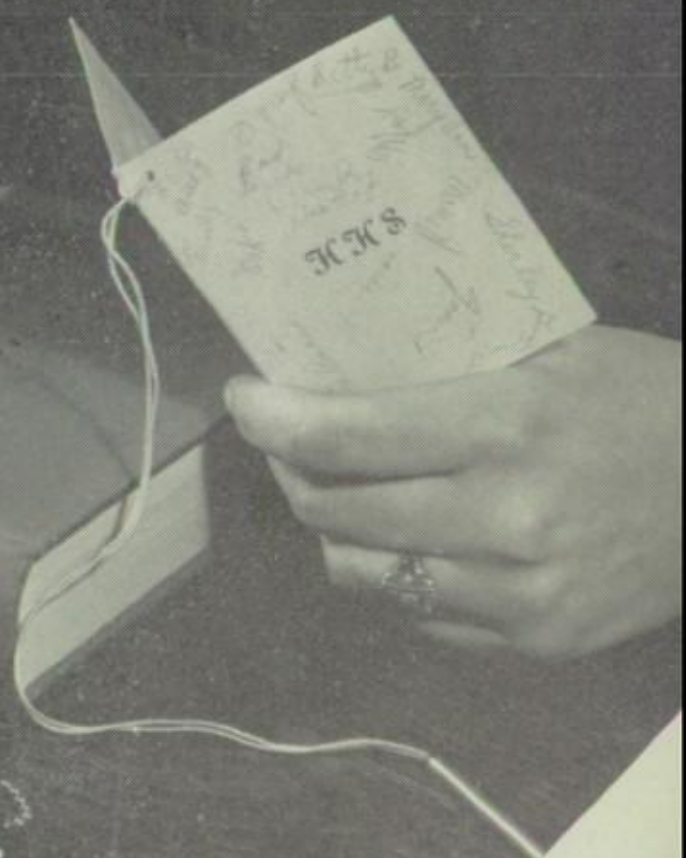

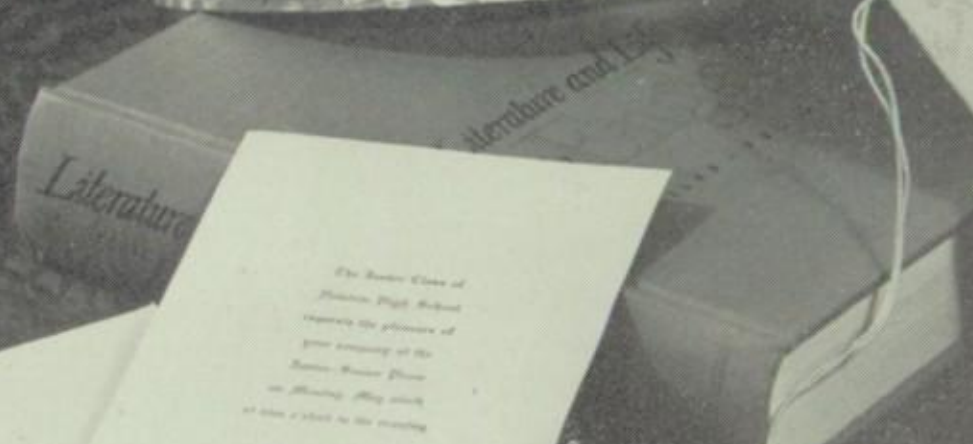

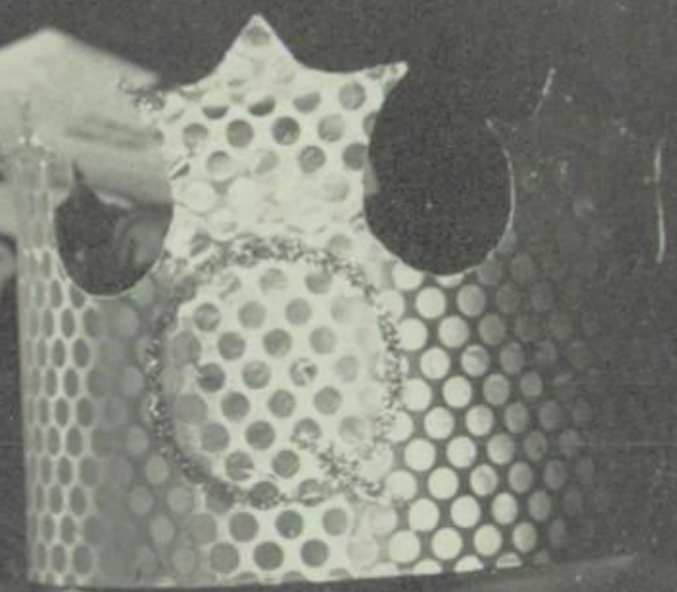

PIRATETTES SEASON PLAY

After only a few weeks of practice, the Piratettes opened the season with a loss to the high-scoring Meriden six by a score of 55-70. They then whizzed by Anthon to the tune of 61-22. Next they met Galva and took another defeat by a score of 37-55. A win over C'Ville and Kingsley and another loss to Meriden followed. Then came a duet of wins over Quimby and Galva. The latter had not been defeated by Holstein in the last few years. Then they traveled to Odebolt to defeat the undefeated Trojanettes by a score of 57-58. The Piratettes wrapped up the season with four successive wins over Battle Creek, Arthur, C'Ville and again Battle Creek. The season's record tallied 10 wins to 3 defeats in the regular scheduled games.

TOURNAMENT PLAY

The Piratettes came out on top in the first round of the Maple Valley Tournament at Battle Creek with a win over Arthur by a score of 59-38. The next night gave them a glorious win over Galva by a thrilling score of 43-41, and brought home their first trophy of the season.

They then journeyed to Kingsley to take part in the Sectional Tournament. Again they came out on top by defeating Grand Meadow, C'Ville and in the finals, Kingsley. This made a second trophy for them and a trip to the District Tournament where Holstein had not been represented since 1946. Holstein fell to the powerful Charter Oak sextet in the first round but came back and took Consolation honors by defeating Sloan in the finals. That made a third trophy for the Piratettes. A fourth was added when they received the Maple Valley Conference trophy, having won the highest percentage of games in the Maple Valley Conference during the season. With the accurate shooting of Joan Broderson, Doris Breyfogle, Jean Kolb, and Patsy Ellerbusch and the powerful defensive work of La Vaughn Lill, Evelyn Gebers and Louise Scherner, the Piratettes had a grand total of 16 wins and 4 losses to end a very successful season of fine play. The average number of points netted per game was 54.

Under the direction of Mrs. Kuchel, the Girls' Chorus reorganized this year into two groups, one group composed of seniors and juniors, and the other of sophomores and freshmen. From these two groups thirty-two were chosen as the chorus group to enter the Pre-State contest at Sutherland on April 15, 1950. Although they were hampered by the fact that they had few practices together, the chorus still turned in a creditable performance and received a Division II rating. The songs chosen by the group were "But The Lord" and "Swiss Skiing Song." These songs were also presented at the Spring Concert.

After the Spring Contest a mixed chorus was formed by combining selected voices from the boys' and girls' choruses. This group presented selections at Baccalaureate services.

Pep Club

This year, the pep club re-organized with the following officers: Jean Kolb, president, Judee Bagenstos, vice-president, and Lyle Munz, Secretary and Treasurer. Donna Lu Conover, Zoe Ann McCubbin, Patsy Ellerbusch, and Joan Brodersen were chosen as regular cheerleaders, and Donna Jensen and Shirley Daugaard were selected as alternates.

The Pep Club's chief aims were to arouse greater interest and better loyalty in support of athletic contests. To promote this, the club sponsored pep meetings preliminary to all home games.

Highlights of the club's activities were the sponsoring of homecoming activities in the fall and activities of the spring track meets.

During the year the Pep Club purchased new cheerleading outfits for the Cheerleaders and sold Black Pirate pencils.

The Hilarity

The Hilarity, our student paper, has a very capable staff of about 30 members. All staff members are volunteers and each member contributes a part in the publication which comes to us every two weeks. With Mr. Hanson as the supervisor, the first semester staff was headed by Jean Kolb and Jim Sindt. Co-editors for the second semester were Doris Breyfogle and La Vaughn Lill.

This student sheet contains special features, editorials, sport news, gossip, jokes, grade news, and regular news items of interest to the students and patrons of the school.

JUNIOR CLASS PLAY

SAVED BY THE BELLE

The setting is the den of the Aurora Sorority House at Stonehall College for Women. The central character, Rita Powers, is an orphan who has been kept in school through the generosity of her almost mythical Uncle Henry, who lives in New York and whom she rarely sees. When Uncle Henry passes on, Rita discovers he was far from the millionaire she had supposed him to be, and it looks as though she would have to forgo the balance of her education and leave school. But Uncle Henry has left Rita one bequest, and this "bequest" turns up at the sorority house in the person of Jackie Clark, a young contender for the middle-weight championship, who is accompanied by his trainer, Slugger O'Day. Uncle Henry has left his fifty percent interest in Jackie to Rita, but since both Jackie and Slugger are penniless, the girls have to put them up in the garage while they train for their next fight. To explain the presence to Mrs. Fish, the house mother, they are introduced as dancing teachers—with highly amusing consequences. But Warren Sands, a young reporter enamored of Rita, learns that the girls are hiding Jackie and Slugger, and threatens to expose them in his paper. To prevent this, the girls kidnap Warren and hold him captive in the house. From here on out complications really piled up, but of course they were overcome and all ended happily.

SENIOR CLASS PLAY

LOOK ME IN THE EYE

After a month of hard practice and lots of fun "Look Me In The Eye" was presented by the seniors March 27 to the high and grade school and March 28 to the public. Miss Baker assisted by LaVaughn Lill, brought the play to a very successful climax before both audiences.

CAST

Susie Smithers, the cook	Donna Jensen
Gideon Gumm, the gardener	Frank Sokolowski
Lovice McLaurin, young wife	Jean Kolb
Kenneth McLaurin, young husband	Jim Sindt
Pernicious Peters, the porter	Wendell Kastner
Anemia Peters, his sister, the maid	Joan Carnes
Francine Hoyt, a friend of the McLaurins	Betty Bremer
Russell Logan, her fiancée	Dean Earnest
Professor Paxton, a professional hypnotist	Lyle Munz
Rosita Gondelez, his fiancée	Shirley Wiese
Sappington Tuppy, Kenneth's Uncle	Duane Ruhser
Tabitha Todd, Lovice's aunt	Judee Bagenstos

Lovice and Kenneth McLaurin stand to lose a fortune if Lovice's Aunt Tabitha and Ken's Uncle Sappington, who are the bitterest of enemies, learn of their secret marriage. Lovice writes her aunt that she has married an imaginary Thomas Mack, and Ken writes his uncle that he has married a gal named Susie Jones. Immediately Uncle Sappy wires that he is on his way to see the bride. Ignorant of the fact that Lovice has induced her bosom friend, Fran to play the part of his wife, Ken procures the services of Rosita, a flaming actress, while Ken's pal, Russ, an amateur hypnotist, hypnotizes the cook, leaving her under the delusion that she is Ken's lawful bride. When Uncle Sappy arrives and finds three wives, he thinks his nephew has started a harem. When Aunt Tabby suddenly enters, consternation reigns supreme. Lovice has her aunt hypnotized as a Greek statue to keep her away from any possible meeting with the hated Sappington. The twin Negro servants, Pernicious and Anemia, seeing her lying under a sheet, think she is a "corpse." When Aunt Tabby suddenly rises and poses as "The Flying Mercury," the terrified darkies do some flying on their own account. The play rollicks at a galloping pace to a riotous climax, in which the two old enemies are brought together in a surprising manner and all is forgiven.

The '49 Prom

"The Junior-Senior Prom! Here at last!" This was a night to remember. On May 9, 1949, the "USS Luxury Liner" departed for the land of dreamy music with Bob Calame and his orchestra. When our voyage had reached the mid way mark, we stopped dancing to crown the king and queen and award the door prizes. Lyle Leinbaugh was crowned king and Vonita Bumann queen. The door prizes, two table model radios, were won by Mrs. Bernice Kuchel and Mr. Ray Bagenstos.

Dancing continued, with refreshments and lounging in the hall on the side, whichever the choice might be. About 11:30, we reached our destination, and the ship dropped anchor. The gangplank was lowered and we departed leaving behind a night of perfect memories.

Hobo Day

September 20, 1949

Hobo Day, a break from the traditional initiation, proved to be a great success.

Each freshman made a designated senior a paddle according to senior specifications. The day previous to the event the freshies canvassed the town begging for food.

At noon the freshmen were transported down town in a cage-like corn crib and pulled by a tractor. They made a colorful scene, each dressed to "out hobo" each other. Upon reaching the Main Square, the hobo contestants were welcomed by a committee of townsmen, and given a key to the city. Then they paraded before the judges stand where Queen Florence Kruse and King Jim Lenz were chosen as the outstanding hobos.

After the coronation each senior was presented with a paddle. Following several races, in which seniors were escorted by freshies, all the high school students were invited to the park for the "feed" furnished by the freshmen hobos. The "feed" consisted of the loot of the previous day: beans, sandwiches, potato chips, canned goods of all descriptions, cookies, cakes, and dozens of other items.

At 7:30, the seniors were hosts at the traditional dance where stunts were performed by the class of 1953.

All in all, Hobo Day turned out to be a great day and thus the class of '53 truly became a part of Holstein High.

Homecoming

Oct. 7, 1949

The night was a typical October evening and a big event for Holstein. It was Oct. 7, 1949, and Homecoming.

At the half of the Onawa game, Queen Jeanne Kolb, King Lyle Munz and their attendants, Shirley Wiese, LaVaughn Lill, Wendell Kastner and James Sindt were feted at a colorful coronation. The Queen received a dozen red roses and her attendants each received a corsage.

To make the evening perfect for Homecoming fans, the Pirates won a tough 18-14 game over the traditional rivals from Onawa, while the queen along with her fair attendants viewed the contest from her dais on the sidelines.

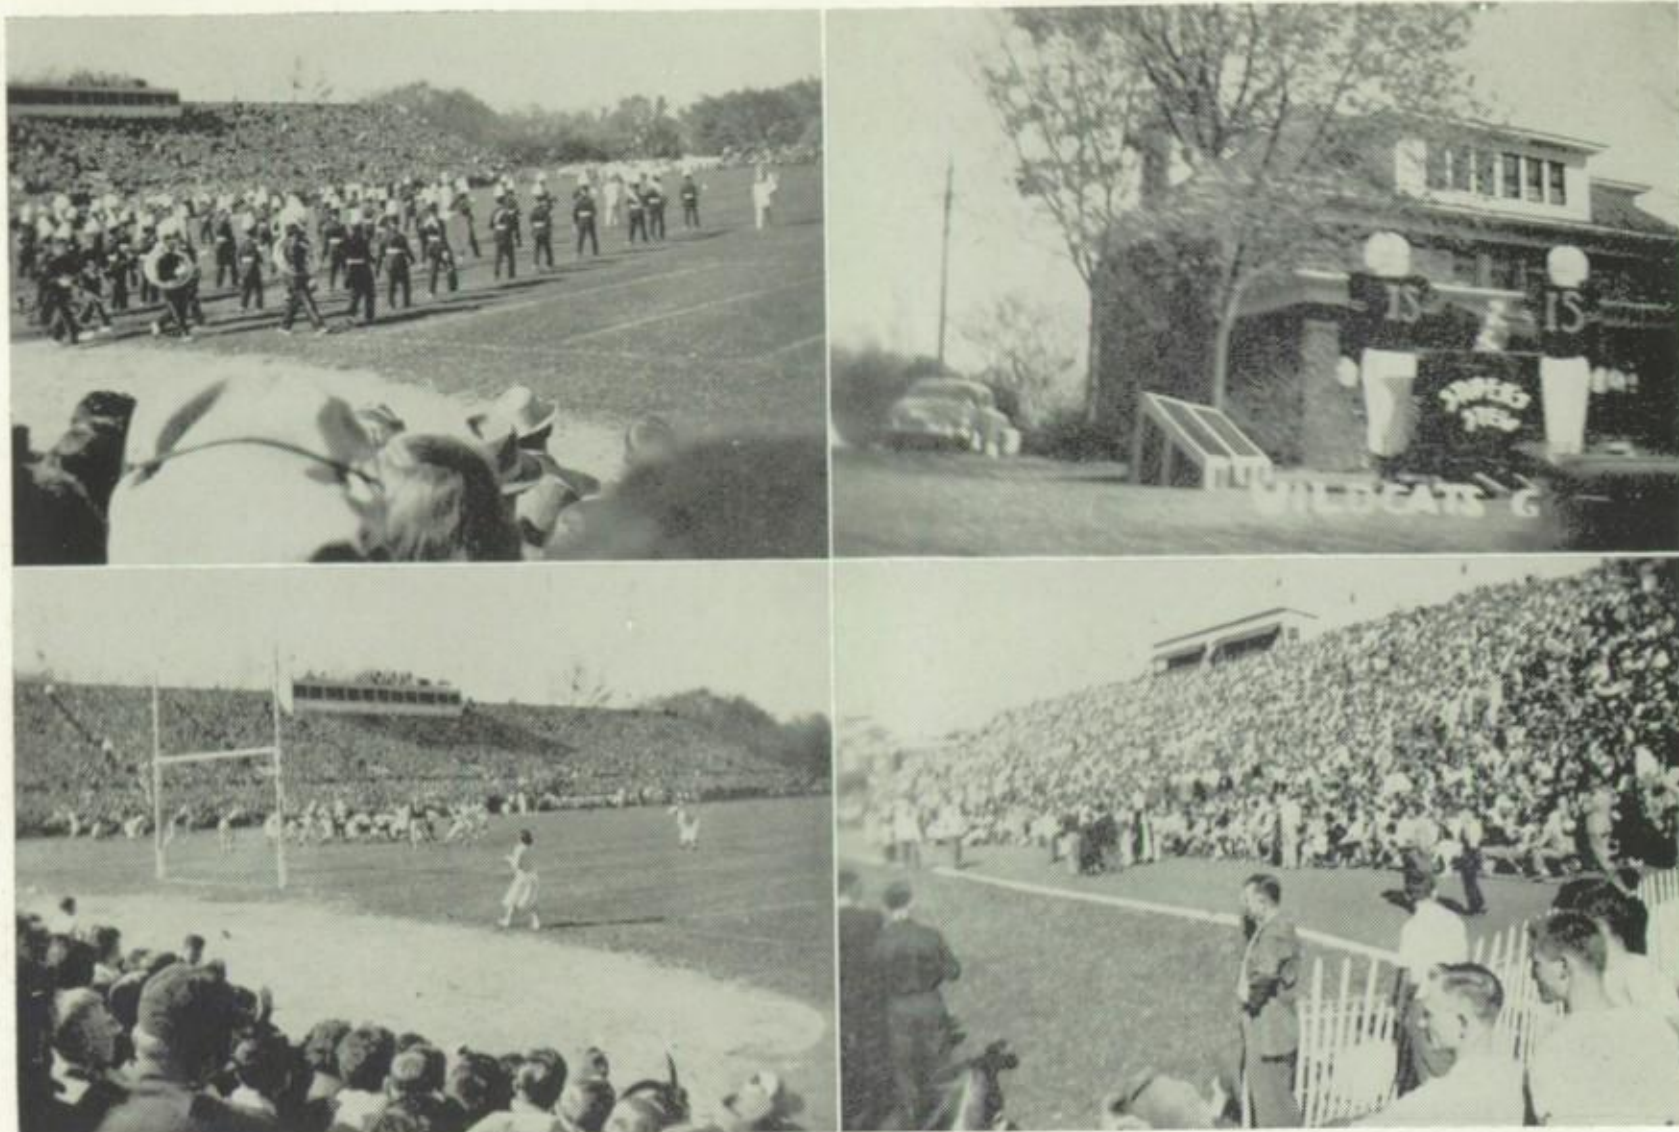

January 15, 1950

Cherokee, Iowa

On this day the sociology class and the seniors traveled to Cherokee by bus to visit the State Hospital for the Insane. Coach Kraai had made arrangements before hand so that a planned tour was scheduled for us that morning.

First, we were taken to the auditorium where our host talked with us about the causes of mental illness and the general nature of the institution. We toured the kitchen, the laundry, the recreation room, the heating plant, and the hypo, the place where violent patients are kept. It was an interesting tour and many of us were surprised to find how self-sufficient an institution of this type with its large number of employees and patients really is.

October 15, 1949
Ames, Iowa

Our group of twenty-six football boys left Holstein at 6:45, arriving in Ames at 12:30. Before game time, we drove around and looked at the sorority and fraternity displays decorating the lawns. At 1:00, we obtained tickets to see the game between Iowa State and Kansas State at Clyde Williams Field. It proved to be a real thriller and a perfect Homecoming for Iowa State, as they edged Kansas State 25-21.

March, 4, 1950
Des Moines, Iowa

The girls' basketball "A" squad left for Des Moines at 6 o'clock to see the state tournament and arrived here about 9:30. The time between our arrival and dinner was spent shopping and sightseeing. Part of our afternoon was also spent up town. At 4:00 we left our hotel for the fieldhouse. We had a time trying to push ourselves inside the Drake fieldhouse, however the games were certainly worth watching. In the consolation round Winterset took Mallard and in the final round Slater beat Kamrar for the 1950 title.

March 24-25, 1950
Iowa City, Iowa

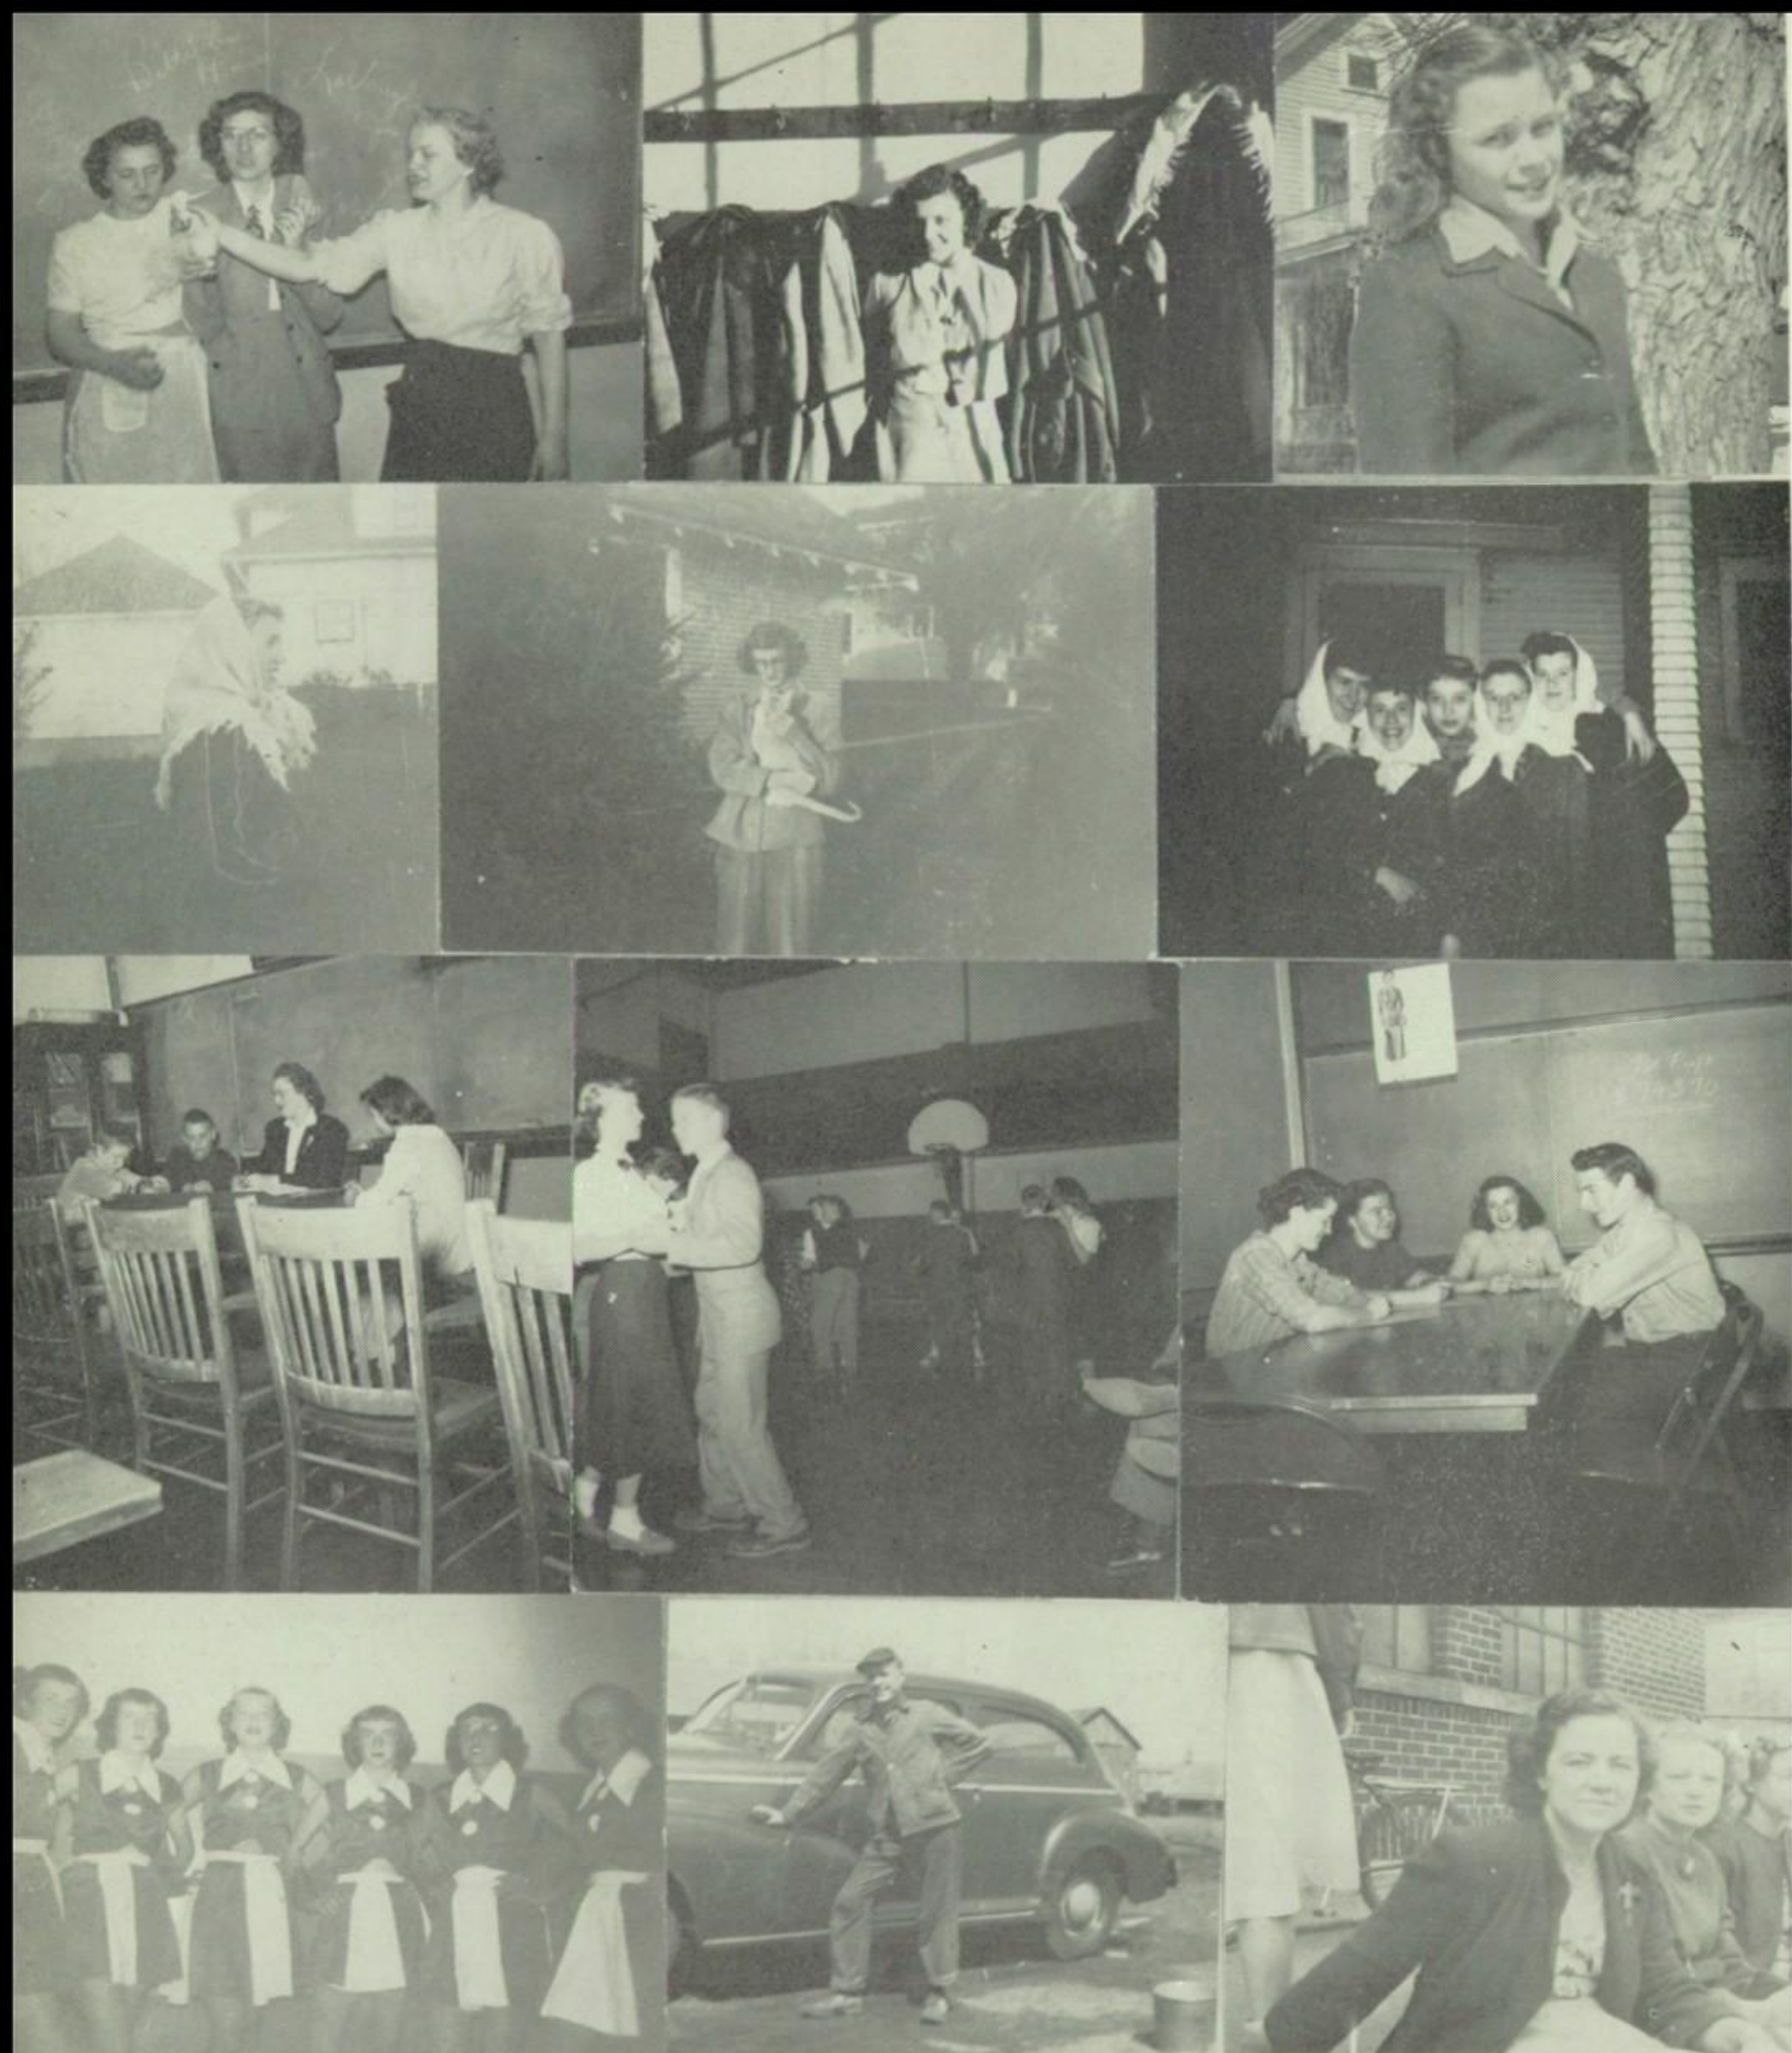

The boys' basketball "A" squad left Holstein on Friday about 7:15 and arrived in Iowa City about 2 o'clock in the afternoon. We went immediately to the fieldhouse to see about sleeping arrangements and toured the downtown area. Friday night we saw the Ankeny—Winfield game and the Dinsdale—Davenport tilt, with Ankeny and Davenport emerging as the winners. Saturday we looked the city over, returning to the fieldhouse early to see the consolation and final rounds of the tournament. That night Winfield took Dinsdale while Davenport trampled Ankeny for the state title.

Now, as our annual is coming to a close, we hope our pictures and written material on the preceding pages will give you a typical example of life in our school.

For the seniors, who will no longer ascend our stairs, we have tried to make this yearbook as memorable as possible so you may recall all the fun, hard work, victories and defeats you have experienced here.

The Auditorium-Gymnasium

The picture above was taken before spring construction had started on our new auditorium-gymnasium building. Since then a network of steel beams has been hoisted into place and the general shape of the building can now be seen. Early last fall the furnace room had been excavated, and the foundations and part of the stage completed. At present, the work is concentrated on the steel framework. The Edson Construction Company of Storm Lake is the contractor.

Plans have also been completed for the remodeling of our high school building as the new addition will allow more classroom space, a hot lunch program complete with modern kitchen space, and more room for our music department.

The new structure, which will provide Holstein with some of the best gym facilities in Northwest Iowa, is expected to reap a good share of the local tournaments as well as some of the larger ones. Seating capacity will be around fifteen hundred. Everyone is looking forward to the day of completion.

Ah! So you have finally reached the last page? Well, while you're getting ready to "thumb" your way through the MOO again, take a look at what happened to us in the meantime (above). We are still recuperating from months of hard work and overfatigue. We're kidding, of course. It has actually been fun to bring you this annual, not only because we hope it serves as a memory book of this year, but because it makes us feel as though we have really fulfilled our duty as seniors.

In closing, we would like to express our appreciation to . . . The Holstein Advance for invaluable information regarding our yearbook and the publication of it . . . Tyrrell Studio for outstanding general photography . . . Goettsch Studio for the excellent action shots and fine miscellaneous photography . . . The Sponsors, without whose financial support this annual would not have been possible . . . Miss Marie Stoner for her useful advice whenever we were in trouble, for helping us over the rough spots, and for her fine job of proofreading . . . The '50 MOO Staff for their excellent co-operation in helping us meet our deadlines with the printer and the engraver.
